C A P I T O L

Foreword

¶ That the Class of 1936 may in their future position as Messmer alumni quietly peer into this yearbook as they would into the depths of some placid pool to have reflected as from a mirror the achievements, activities, and friendships of their student lives is the sincere hope of The Capitol staff.

Dedication

Rev. Celestine Bittle,
O.M. Cap.

Rev. E. J. Goebel

Rev. George Meyer

¶ To the former principals of Messmer, Fathers Celestine Bittle, George Meyer, and Edmund J. Goebel, whose zeal and perseverance guided the school through the early years of its development, and to the veteran members of the faculty, Sister Mary Seraphia and Sister Mary Everildis, in appreciation of their ten years of untiring labor, this book is respectfully dedicated on the tenth anniversary of Messmer's existence by the class of 1936.

School History

Ten years ago the generosity of the Capuchin Fathers made possible the opening of Diocesan High School. At that time a small faculty headed by the Rev. Celestine Bittle, O.M. Cap., assumed the task of teaching 166 eager students, the original student body of Messmer. The tenth anniversary of the existence recalls memories of the small ten-room school building, the half-day sessions, and the combination gymnasium, cafeteria and auditorium.

It also recalls the progressive development that the school has undergone in the past decade, the huge increase in enrollment and the expansion of the school's curricular program. Despite this rapid development, some of the school's outstanding features were inaugurated at Diocesan High School. Some of these are the student council, the Sodality, the C.S.M.C. and the semi-weekly religious instructions.

These instructions were in charge of the Revs. L. Stienberg, O.M. Cap., J. Stehlog, W. Restle, and R. Gapinski. The school's pioneer lay teachers were Mr. George Carnachan, physical education; Miss Kathryn Busch, dramatic art, and Miss Celestine Schmitt, domestic art.

The innumerable difficulties faced by the school during the initial year of its existence were overcome by the combined efforts of the Rt. Rev. Msgr. Joseph Barbian and the Reverends Celestine Bittle and George Meyer.

The second year of the school's existence was marked by several important changes: the Rev. George Meyer became principal, the school was officially renamed Messmer High School, and the increase in enrollment necessitated the addition of three teachers to the staff.

St. Elizabeth's grade school building, where Messmer had its beginning

The laying of the cornerstone on September 12, 1928.

The increase in enrollment encouraged Miss Roberta Best to form the school's first orchestra. Heretofore hindered by the small student body, athletics under the direction of Coach Carnachan now became an intricate part of student life.

The problem of space reached a crisis in September, 1929, when the school's enrollment outgrew the old ten-room building on Second and Burlingh. Messmer's "dream" became a reality when construction of a new school building was begun on Eighth and Capitol Drive.

Rev. Edmund J. Goebel, as Messmer's new principal, delivered the dedication speech at the laying of the cornerstone. Msgr. B. G. Traudt officiated at the blessing of the stone in a ceremony which included the Reverends William Peters, O.M. Cap., and W. J. O'Keefe, as deacon and sub-deacon, respectively, and Rev. Joseph Stehling as master of ceremonies.

The joys of moving into the new school were forgotten when it was learned that Archbishop Sebastian Messmer, whose name the school bears, had died. Milwaukee's next Archbishop, Samuel A. Stritch, D.D., soon became endeared to the hearts of the students of his school.

The official opening of the new school in September, 1930, was featured by the celebration of Holy Mass in the school auditorium, attended by 650 students. The school not only offered more and better facilities but a greater variety of courses. The increased enrollment necessitated the addition of ten new faculty members.

Another increase in registration brought the total enrollment in September, 1931, to 800 students. The following year Messmer's largest group of freshmen, 279, brought the total up to 874. It was in this year that Messmer became the Central High School, under a Diocesan system with four branches. The system boasted a registration of 1,056 students.

Statistics on the school's annual progress showed that in the seventh year of its existence the enrollment had been increased 578%. This figure includes all registrations beginning with the 1926 enrollment.

Returning to school in September, 1934, the students found that Father Goebel had gone to the Catholic University at Washington, D. C., to complete work on his doctorate. Reverend Joseph Stehling, pastor of St. Nicholas, became principal "pro tem" at Messmer. When in September, 1935, it was made known that Father Goebel would remain at Washington, Father Stehling assumed the duties of financial administrator, while the Rev. John M. Voelker, Ph.D., became Messmer's new principal.

On June 11, the graduating class of 1936 will officially close the first decade of Messmer's existence. In these ten years, a spirit of loyalty and love toward Messmer has become traditional. It is this spirit which welcomes the eager freshman to student life at Messmer and this same spirit which the graduating senior so reluctantly leaves behind.

The

CAPITOL

THE GROUP PHOTO OF THE STUDENTS OF THE CAPITOL SCHOOL, TAKEN IN THE FALL OF 1908. THE GROUP IS COMPOSED OF STUDENTS FROM THE FIRST THROUGH THE SEVENTH GRADES, AND IS ONE OF THE LARGEST GROUPS EVER TAKEN AT THE SCHOOL. THE STUDENTS ARE ALL DRESSED IN THEIR BEST CLOTHING, AND THE PHOTOGRAPH IS A FINE EXAMPLE OF THE SCHOOL'S RECORD IN THE FIELD OF PHOTOGRAPHY.

THE GROUP PHOTO OF THE STUDENTS OF THE CAPITOL SCHOOL, TAKEN IN THE FALL OF 1908. THE GROUP IS COMPOSED OF STUDENTS FROM THE FIRST THROUGH THE SEVENTH GRADES, AND IS ONE OF THE LARGEST GROUPS EVER TAKEN AT THE SCHOOL.

The 1936 debate squad, fulfilling Mr. Hugo Hellman's prediction made Messmer's "major and greatest bid for the Catholic Conference debate championship." The team finished the season in a championship tie with St. John's Cathedral. Each team boasted a record of five wins and one loss.

Messmer opened the season with two victories over St. Catherine's of Racine. The negative team, Joseph Waldman, Bernard Waldkirch, and George Kolanda gained the decision over St. Catherine's affirmative at Racine, February 19. The Racine debaters journeyed to Milwaukee, February 22, only to meet defeat at the hands of the Messmer affirmative: Kenneth Jacobchick, George Bresnahan and Anthony Herdegen.

Messmer gained its third consecutive victory when Judge Fred Reel of the University of Wisconsin awarded a decision to the negative team over Edgewood High at Madison. On March 14, the Madison team traveled to Milwaukee only to meet defeat at the hands of the Messmer affirmative team.

Undefeated, the debaters prepared for the decisive engagements of the season against St. John's Cathedral with renewed vigor. The negative squad travelled to St. John's Cathedral March 24, for its final contest of the season. Before awarding the debate to Messmer, Judge Chester Niebler of Marquette University frankly praised the debaters for their superior use of debate tactics.

St. John's came to Messmer, March 25, to make a final determined bid for a championship tie. After a spirited contest before the entire student body, Judge Stephen Keane of Marquette University awarded the contest to the Cathedral school, thus giving them a tie with Messmer for the Catholic Conference debate championship.

The subject for debate in the Catholic Conference this year was Resolved: That the several states should enact legislation providing for a system of complete medical care available to all citizens at public expense.

Camera Club

Back Schueller F Brien
 Middle V F Werner D
 Front Pow W Voss

The major project of the Camera Club this year was the taking of the individual pictures of the juniors for "The Capitol."

The members of the club are seniors who have adopted amateur photography as their hobby

Chorus

Under the Direction of Professor Otto Singenberger, the chorus met on Mondays and Thursdays, for the purpose of studying voice possibilities and to install into its members a love for the beauty that is music

THE SODALITY OF THE BESSSED VIRGIN

The first of these is the fact that the
 Journal of the American Medical Association
 has been the only one of the major medical
 journals to publish a special issue on the
 topic of "The Role of the Physician in
 the Health Care System." This issue,
 which was published in the November
 1980 issue of the journal, was the first
 of its kind. It was a landmark event in
 the history of the medical profession,
 and it was a testament to the fact that
 the medical profession was beginning to
 take a more active role in the health
 care system.

1935 MESSMER GRIDIRON SEASON

Orv C. Dermody, Coach

Messmer	0—Campion	12	at Prairie du Chien.
Messmer	6—Cedarburg	6	at Messmer.
Messmer	6—St. Catherine	6	at Racine.
Messmer	7—Marquette	11	at Marquette.
Messmer	6—St. John	0	at Messmer.
Messmer	12—Milwaukee U. S.	0	at M. U. S.
Messmer	0—Pio Nono	26	at St. Francis.

CAMPION, 12-0

An inexperienced Messmer team fought a losing battle against the Red Knights of Campion in the opener at Prairie du Chien, September 28. Campion scored on intricate reverse laterals which had the Blue wave completely baffled.

CEDARBURG, 6-6

In the second non-conference game Messmer played host to Cedarburg and it proved a thrilling game, ending in a tie. Cedarburg was the first to draw blood after a sustained drive. They missed the kick. Messmer shifted to the skyways and Brunner went over from the 8 yard line, but they also missed the kick. Neither team threatened after that.

Varsity Football

ST. CATHERINE, 6-6

By virtue of a break, Messmer tied a clever St. Catherine squad in the premier conference start at Racine, October 12. The break came late in the last quarter with the Blue-Wave ahead 6-0 when a reserve tackle missed his block and a punt was smothered which set the stage for St. Catherine's score. The kick was blocked.

MARQUETTE, 14-7

The traditional gridiron tilt between Marquette and Messmer this year was one of the hardest contested games in either school's history. Although Marquette scored twice in the first half it was a bitter, bruising fight all the way. Riled by a pep talk, Messmer started the second half by scoring in the first two minutes but then they slowed up and were at the short end as the gun cracked.

ST. JOHN, 6-0

Before the largest homecoming crowd, Messmer won a brilliant victory by defeating last season's co-champs, St. John at Pio Nono. It was only sheer grit that kept the Wave line from backing up and letting the Eastsiders penetrate into the danger zone, because the Eagle backs gave the line a terrific beating. The lone tally was made when Karpowitz took a low St. John punt and raced 60 yards down the sidelines amid some spectacular blocking.

M. U. S., 12-0

Making its best offensive thrust of the season, Messmer defeated a strong Milwaukee University School squad which formerly had been unbeaten and untied. Fighting for every inch of the way, the Blue-Wave reached the 8 yard line, when on a tricky shift, Hub Markowski, left tackle was made eligible for a pass which he caught in the end zone for the first score. The kick was blocked. After recovering a fumbled punt on the M. U. S. 10 yard line, Karpowitz scored again but the kick was missed.

PIO NONO, 26-0

Closing a not overly impressive season, Messmer's moleskinners were completely smothered by the greatest collaboration of football players seen in the Catholic Conference in many years, namely the Conference Champs Pio Nono. Pio Nono scored easily on reverses and wide runs. Perfect blocking and lots of it was featured by the Pio Nono backs. Despite the one-sided score twelve graduating lettermen fought desperately to withhold the maroon and gold attack but their efforts were futile.

The Blue and White cagers finished the '35-'36 season with an enviable record of 15 wins and 4 losses. Their Catholic Conference efforts gained them a tie for second place with the Junior Hilltoppers from Marquette.

In conference competition the Blue Wave met reversals at the hands of St. John's and Marquette, the former being the only quint to repeat its first victory. Marquette had the advantage of playing on its home floor in the first game, but was set back in the greatest upset of the season in the Messmer gym, 25-19.

In seven non-conference games the Blue quintet emerged victorious in six tilts, splitting a two games series with Milwaukee University School.

The finale found the alumni, composed of several members of the '30 conference champs, falling before the varsity five by a score of 33-23.

Freshman Basketball

L. Giddings, B. Kucharski, P. Cunningham, N. Schlosser, J. Langheinrich, G. Halzbauer

A .500 average is the record of the freshman basketball team, coached by Dr. George Conentine. The season established several boys as outstanding material for future varsity players.

Final tabulations show seven tallies in the win column and seven losses for the yearlings. Defeats were handed by such prominent teams as St. John's, Pio Nono, and St. Catherine's. The only team that repeated victories over "Doc's Boys" was the strong undefeated Marquette quintet.

MARQUETTE

The varsity hockey season opened its campaign by defeating the Marquette University High School 4-1. Although it was the first game of the season, perfect cooperation and skilful shooting enabled the Blue Wave to score easily. Captain Frank Maikowski led his team with the two tallies.

COUNTRY DAY

The pucksters scored their second victory within a week by trouncing a strong Country Day sextet 6-2. Scoring was well-divided among the winners. The victory went down in history as an upset because the Blue Wave entered the game as the underdogs.

MARQUETTE

The Catholic rivals again met. The Blue and Gold went down in defeat by a score of 2-0. The fast stepping icemen had an off day and could not click. The margin of victory was scored in the last period.

EASY ACES

Keeping their record in good shape, Messmer after a short rest took the ice for the second time on the same day and swamped their rivals by the score of 8 to 2. This victory put the team into the finals of the tournament.

TOWN PUMPS

The Legion hockey tournament that put two markers into the victory column for the Messmer pucksters, also provided the only loss of the season, when they met defeat before the sharp shooting Town Pump sextet.

SHOREWOOD

The Blue Wave proved their real superiority over the Shorewood wingmen coming back a week later and handing them the worst trouncing they had taken all year 7-1

ST JOHN'S, DELAFIELD

St. John's Military Academy was welcomed to the Messmer schedule next. The welcome tune was 4-1, the Blue Wave being on the long end

PIO NONO

Coach Dermody's champs, four days later took the ice again, this time against the Maroon and Gold of Pio Nono and marked up a 4-1 victory. Goane Kolanko with his eighteen saves, proved the shining light

ST JOHN'S, DELAFIELD

The second game with the Military Men was hotly contested with the Blue Wave gaining its eleventh victory of the year, 5-4. The last period with its sparkling play on both sides found Messmer squeeze out a win on a last minute goal by Andrew Konopka

COUNTRY DAY

Each team with only one set-back apiece took the ice to decide who was to take the honor of the best six in the city. Scoring was frequent on the part of both teams and when the final bell rang, Messmer took the honor by the slim margin of 6-5. One of the greatest high school hockey teams ever to be produced finished the season with twelve victories and only one loss

*The
NEW FUEL*
United

Briquets

The best of the fuel in concentrated form

Dustless Treated

Pocahontas coal of the highest grade, with all impurities removed, is used in making United Briquets. Because of their purity and concentration they furnish intense heat with no clinkers and very few ashes.

That Costs LESS and Gives MORE Heat

Every ounce is heat producing fuel—no loss of gases up the chimney. That's why United Briquets cost less and give more heat than ordinary coal.

HOW GOOD?

This question is much more important to the thrifty housewife than "HOW CHEAP"

This statement applies particularly to food, because it is not only economical to buy good food made of the best ingredients, but it is also best for the health and welfare of your loved ones.

True economy in food buying lies in obtaining the most of quantity and QUALITY for your money

Your neighborhood independent grocer features good, nationally advertised brands of food products.

When the best costs but a penny or two more—it certainly pays to buy the best.
